IMPORTANT INFORMATION

Insurer

This insurance is underwritten by AWP P&C SA and is administered in the **UK** by AWP Assistance UK Ltd trading as Allianz Assistance.

How Your Insurance Works

Your policy and **confirmation of cover** is a contract between **you** and **us**. **We** will pay for any claim **you** make which is covered by the policy and level of cover chosen that occurs during the **period of insurance**.

Unless specifically mentioned, the benefits and exclusions within each section apply to the **covered vehicle**. **Your** policy does not cover all possible events and expenses. Certain words have a special meaning as shown under the section 'Definitions'.

Information You Need To Tell Us

There is certain information that **we** need to know as it may affect the terms of the insurance cover **we** can offer **you**.

You must, to the best of **your** knowledge, give accurate answers to the questions **we** ask when **you** buy **your** policy. If **you** do not answer the questions truthfully it could result in **your** policy being invalid and could mean that all or part of a claim may not be paid.

If **you** think **you** may have given **us** any incorrect answers, or if **you** want any help, please call **us** as soon as possible on **0345 600 2205** and **we** will be able to tell **you** if **we** can still offer **you** cover.

Your Cancellation Rights

If this cover does not meet **your** requirements or should **you** decide to cancel this policy for any reason within 14 days of receipt of the original documentation, **you** can obtain a full refund of the premium paid (providing no claims have been made) without charge. After this 14 day period **you** will be entitled to a pro-rata refund subject to no claims being paid under the policy, less an administration fee of £35. In either case, if **you** have asked **us** to perform or provide any of the services given under this policy **we** are entitled to recover all costs that **you** have used for the service provided. To obtain a refund please write to **us** at

Allianz Assistance, PO Box 1051, Croydon CR9 1RE or telephone **0345 600 2205** and press option 2.

Our Cancellation Rights

We reserve the right to cancel **your** cover at any time by providing **you** with 14 days notice in writing to the last address **you** provided **us** with.

Policy Excess

You may have to pay an excess in relation to repair costs. This means that **you** may be responsible for paying the first part of any claim on the **covered vehicle** for each claim incident. The amount **you** have to pay is the excess and this is shown on the **confirmation of cover**.

Servicing Requirements For Your Vehicle

Servicing must be carried out in accordance with vehicle manufacturer recommendations. Genuine manufacturer parts, oils and other fluids (or parts which are of equivalent specification and quality) must be used. Failure to comply with this condition may result in **your** claim being rejected.

We will allow a maximum of 1,000 miles or one calendar month (whichever occurs first) in excess of the recommended service intervals.

Please ensure that the servicing garage completes the service record for the **covered vehicle** and that **you** keep all service receipts as proof of servicing.

Important:

If **you** fail to have the **covered vehicle** serviced regularly at a VAT registered garage in accordance with the manufacturer's specifications during the **period of insurance**, or **you** are unable to produce proof of such servicing if **we** request it, then this may invalidate this cover or **we** may not pay all or any part of a claim **you** make.

Payment Plan & Policy Duration

Annual Policies

You must pay **us** the full annual premium before the policy start date to receive any cover under **your** policy.

Once the annual policy premium has been paid, cover will last for 12 months.

We may vary the terms of **your** cover and the premium rates at the renewal date.

Pay-as-you-go Monthly Policies

You must pay the monthly premium every month on or before the date it is due for the coming month.

If the monthly premium is not paid when it is due, all cover will end immediately from that date.

Cover on pay-as-you-go monthly policies will last for one month from the start date and thereafter for one month following each monthly payment paid by **you** when due and received by **us**.

We may vary **your** monthly premium at any time by providing **you** 30 days notice in writing to the last address **you** provided **us** with.

(Applicable to annual policies only)

- **We** reserve the right to require the selected repairer to use parts sourced by **us** which are either new, reconditioned or service exchange parts and to supply such parts to the repairer directly.
- **We** will not pay for any diagnostic costs, other than the reasonable costs of diagnosis should a claim for a defective component be valid under this cover.
- **We** reserve the right to examine the **covered vehicle** and to subject it to expert assessment in order to determine if **your** claim is covered and how much **we** will pay for repairs. If **you** or anyone acting on **your** behalf acts in a way which prevents **us** from being able to determine the cause of failure by inspecting the **covered vehicle** or defective components, then **we** may not pay all or part of **your** claim.
- If **you** choose to take **your** vehicle to a garage not recommended by **us**, note that it must be VAT registered and that **you** will need to arrange and pay for the repairs. **You** must follow step 1 on the previous page. To request reimbursement for the claim authorised by **us** **you** must send **us** the invoice provided by the repairer plus any relevant supporting information (such as diagnostic reports connected to the repair and proof of service history). **We** will then review the claim, contact **you** for any further information required and, if deemed to be a valid claim, pay **you** directly. **Our** address is:

Allianz Assistance, PO Box 1051, Croydon CR9 1RE.

Warranty Claims Outside The UK (Applicable To All Cover Levels)

All repairs and costs are **your** responsibility while in countries outside the **UK** and within the **area of cover**. It is **your** responsibility to authorise any dismantling of the **covered vehicle** or any other work required to diagnose any faults with the **covered vehicle** and **your** responsibility to carry out necessary repairs. Once the repairs have been completed, **you** must settle the costs with the selected repair network garage and retain the invoice. Please also keep the replaced components if possible until **we** have finished processing **your** claim as **we** may need to see them.

On **your** return to the **UK**, **you** will need to send **us** the invoice, copies of the **covered vehicle's** service records and any relevant diagnostic reports associated with the repair, with a covering letter to Allianz Assistance, PO Box 1051, Croydon CR9 1RE. Please retain a copy of the repair invoice and the original service records for **your** own safekeeping as **we** will be unable to return these to **you**.

Your claim will then be processed and reimbursed to **you** in pounds sterling at the rate of exchange for the relevant currency at the time of the repair, providing that **your** claim is valid.
